1. UNIVERSITY FACILITIES

A. ADMISSION REQUIREMENTS TO THE UNIVERSITY:

The students who want to apply for bachelor's degree to our university have to graduate from the last semester of high school.

Students who want to apply for a master's degree must graduate from one of the four-year undergraduate programs.

For detailed information, please visit our web page (www.cankaya.edu.tr) in the Institutes section.

You will have to come to the Student Affairs Office to apply to our university. You are assisted in the documents required for application and registration.

You will be able to follow the applications and registration dates of our university on our website.

Web site: <http://www.cankaya.edu.tr/>

B. INSTRUCTION LANGUAGE:

The instruction language in Çankaya University is English except for the Faculty of Law and the Vocational School of Justice.

Students who do not have sufficient knowledge of foreign language will continue to English Preparatory Class for one year.

NOTE:

If you want to learn Turkish, you can take advantage of Ankara University Turkish courses.

For detailed information: www.tomer.ankara.edu.tr

ADDRESS:

Ziya Gökalp Caddesi 18/1 Kızılay-ANKARA

PHONE : (0312) 435 97 81

C.ACADEMIC PROGRAMS:

Çankaya University has 5 faculties with 21 departments, 2 vocational colleges with 20 graduate and 6 doctorate programs, English Language Coordinatorship supporting English education and 7 research and application centers.

D.ACADEMIC YEAR:

One academic year consists of two semesters, each with at least 14 weeks.

E.SUMMER TERM EDUCATION:

Summer education is a summer training program, except during the fall and spring semesters, and the study period is 7 weeks. The purpose of this study is to provide students with a new opportunity for courses that they have failed, to benefit from their educational opportunities in summer and to ensure that success students graduate in a shorter period of time. Students who want to take summer courses are required to pay the tuition fee per course credited to the Board of Trustees of that year.

A student can take up to 3 courses in summer school. Undergraduate and graduate foreign students may also benefit from summer education.

F.ÇANKAYA UNIVERSITY GRADUATES DISCOUNT

Students who graduated from our university in the previous years and those who entered to doctorate programs that are graduated from graduate programs, graduate discount of 30% on the tuition fee is applied. This discount is valid during the study.

G. SIBLINGS DISCOUNT:

If more than one sibling is studying at our university, a discount of 10% is applied on the tuition fee for each sibling. This discount is valid as long as the students are studying. There is no simultaneous studying requirement for students to benefit from sibling discounts.

However, this discount is not applicable if one of the siblings is separated for any reason other than graduation.

INSTITUTES

It is generally accepted that the undergraduate education is a stage of the learning-research process leading to further progress with graduate and doctoral degrees. Institute of Science and Social Sciences of Çankaya University works with awareness of this responsibility. The Departments under the Institute of Science and Social Sciences of the University, with post graduate and doctoral studies are responsible for educating graduate students who can pursue advanced scientific researches in science and technology, publish in leading international scientific journals and provide interdisciplinary cooperation and aim to support individuals who want to deepen their fields and who want to improve themselves and their organizations on a local, national and international scale, and increase their knowledge and skills.

DORMITORY FACILITIES

There are 2 girls dormitories and 1 boys dormitory belonging to our university, one of the girls dormitory is in Balgat campus and the other is in the center campus where we have comfortable rooms.

A. CENTRAL CAMPUS STUDENT DORMITORIES

Girls and boys dormitories which are located at the Central Campus started serving in the spring semester of 2015-2016 academic year. Çankaya University offers a variety of services for the comfort of students in the dormitory opened in 2015-2016 academic year in order to meet the needs of students from outside Ankara.

There are 23 triple rooms and 20 single rooms available in girls and boys dormitories. There are one disabled room on the ground floor for students with disabilities in each building. A total of 168 students are planned to be served.

In triple rooms; the bed with base, the work desk, the bookcase, and the area where the clothes wardrobe is located are separated from each other by the screen to make it private for the student. Triple rooms have shared television, mini-fridge and kitchen cabinets. The fact that the WC and the canyon are separate in the rooms creates great comfort for the use of the students. There are 23 triple rooms with 69 students capacity, with an area of 40 m².

20 single rooms are available. In the rooms there is a private TV, a mini fridge, a bed, a bookcase, a work desk, clothes wardrobe. Wc-bathroom are together.

The disabled room is located on the ground floor. The interior of the room has been specially designed and wide enough to move easily. There is a private bathtub and WC in the bathroom. All details are considered for the disabled students to feel comfortable.

All rooms have 24 hours hot water, internet service, internal phone service.

- Front office services,
- Maintenance, repair and cleaning services,
- Campus-wide security service,
- Health services on campus (Doctor, nurse, psychologist between 09: 00-17: 00)
- Study room,
- Communal seating groups, large screen TV,
- Washing, drying machines and ironing facilities,
- Morning breakfast and dinner,
- Canteen service,
- Parking lot available on campus.

Services are provided.

LIFE IN CAMPUS

A.FOODS-BEVERAGES

In Çankaya University Center and Balgat Campuses there are 6 cafeterias and 2 dining halls, which can accommodate a total of 1000 students. The cafeteria and canteens serve students, academic and administrative staff with care.

There is a catering service consisting of soup, main dish, auxiliary dish, dessert and open buffet salad bowl in the dining halls located on both campuses. Fast food-style food and beverage services are provided in cafeterias.

1.In our Central Campus;

Cafe News in Preparatory School,

Cafe Blue in Faculty of Engineering,

Cafe Schnell in the library,

Cafe Mix and Cafe Messt in Common Area

2.In our Balgat Campus;

Cafe Bee provides service.

All products in cafeterias and dining halls are produced in accordance with food codex.

B.HEALTH CENTER

The equipped health center of our university provides services to all students with specialist doctors, specialist psychologists and nurses. Health services are provided to the students and the prescriptions for students with health insurance are provided by pharmacies by the social security institution (SGK).

In our university there are Health Centers on both campuses.

1. In Central Campus; a full-time physician, two nurses and a full-time psychologist work. The psychologist provides psychological consultancy services to students and is working on the Balgat campus on Tuesdays.

2. In Balgat Campus; A full-time nurse and a part-time physician provide health services. The reports that our students receive during the provision of health services from outside our institution are inspected and approved in compliance with the regulations in our Health Center.

NOTE: HEALTH INSURANCE

General health insurance premiums are paid by the students in order to benefit from state facilities for health and free examination and treatment are done in State Hospitals. General health insurance transactions are made within 3 months of first enrollment at the University. Students who exceed this period can not perform re-insurance process and can receive health services from private institutions for a fee. The monthly payment for General Health Insurance is around 50 TL which is covered by you. You will need to apply to a Social Security Directorate for this procedure with a student certificate

C. SPORTS CLUB

As Çankaya University Sports Center, we aim to train the students with the specialized trainers in their field in addition to their academic activities as well as to enhance their physical, social and spiritual development and to raise qualified people.

In Balgat Campus two Olympic salons, two small salons, a carpet field, a semi-Olympic indoor swimming pool, fitness centers, basketball, football, orienteering, tennis, volleyball, swimming, table tennis, billiards, chess, kick boxing, fencing and wrestling sports are performed at the highest level with our skilled and well trained coaches. We also help all other branches by taking an active role in all university sports activities.

This year, our Sports Facilities are being completed at the Central Campus. There are many sections such as multipurpose large hall, fitness center, carpet field, table tennis, squash, single-pot basketball, chess, volleyball, step-aerobic hall and all students and staff will be free to use.

OUR UNIVERSITY TEAMS

- Girls - Boys Basketball team
- Girls - Boys Kick Boxing Team

E.LIBRARY

The Central Library serves on 5019.28 m² area with 90.000 volumes of books in its large modern building with a seating capacity of 750 seats.

In our library;

- 2 internet laboratories (44 computers in total consisting of 22 computers)
- 4 group study rooms for 8 persons
- 1 seminar room
- Group study room for 30 people
- Wired and wireless internet available.

Balgat Library; serves law, architecture and institute students and academicians with 1300 m² area, 30.000 volume books and seating capacity of 350 people. In our library, wired and wireless internet connections which can be used in catalog browsing computers and 50 computers at the same time.

Our library further;

There is a web page with information about library services, current announcements made and continuously updated at <http://kutuphane.cankaya.edu.tr>. The SirsiDynix Library automation program is used, which has advanced technology that can perform reader operations on the web and catalog scanning.

<http://katalog.cankaya.edu.tr/>. It is a member of the Online Computer Library Center (OCLC) and Tubitak Ulakbim EKUAL (Electronic Resources National Academic License), which is an international information document delivery, dissemination and information sharing center in which more than 72.000 libraries from 170 countries are subscribed. It is a member of ANKOS (Anatolian University Consortium) which is established as a model of cooperation between libraries. Interlibrary Loan (ILL) system provides book-sharing services with contracted libraries. As we signed a protocol with METU and Bilkent University Libraries and our academicians can mutually benefit from these libraries.

Çankaya University Library develops the printed dermis as well as the electronic collection in order to increase the quality of the service offered and to serve more researchers. There are 24 databases in total for the access of our used, 2 of them are bibliographic, 20 of them are full text and 2 of them are plagiarism programs.

HEALTH FACILITIES

You can find all state and private hospitals or health centers in Ankara their address and contact information FROM www.butunhastaneler.com . You can also get live help by contacting customer services.

Note: If you do not have health insurance, your entire treatment will be paid by your side.

In order to benefit from state facilities for health, general health insurance premiums are paid by the students and free examination and treatment are performed in State Hospitals. General health insurance transactions are made within 3 months of the first enrollment of students at the University. Students who exceed this period can not re-insure and can receive health services from private institutions for a fee. The monthly payment for General Health Insurance is around 50 TL which is covered by you. You will need to apply a Social Security Directorate for this procedure with a student certificate.
